

EEPCA

European Electrical Products Certification Association

CERTIFICATE OF ACCEPTANCE

THIS IS TO CERTIFY THAT
the Testing Laboratory

LCOE

C/ José Gutiérrez Abascal 2, 28006 Madrid, SPAIN

has been assessed on 26-27 November 2014 and found to comply with Permanent Document ECS 050, EN/ISO/IEC 17025 and all other requirements specific to the European Certification Agreements in which it is participating.

It has therefore been accepted to operate, under the responsibility of AENOR as Certification Body, as a Testing Laboratory in the European Certification Schemes ENEC, ENEC+, CCA and Keymark, for its scope of European Standards and Harmonised Documents as registered by EEPCA.

This Certificate of Acceptance is valid until 27 November 2017, or until the earlier completion of the next following assessment.

Paris, 13 October 2015

Pierre de Ruvo, General Secretary
