

## How to get to Tecnogetafe

### Attention:

- The exit reference of A42 road from Madrid has recently changed: now is called **15B**.
- When introducing GPS coordinates, some devices give incorrect indications.

### From Madrid by A42

- Coming by **A42**, take exit **15B**, in direction to M-50 road towards A-4
- Continue to exit called **M-50** to **Córdoba** and get to **M-50**
- Keep circulating by the service road and get out of this road at the **exit 48, by the left side** (do not go to R4)
- Continue straight on until you reach the roundabout located in front of the general services building of our Tecnogetafe facilities.

### From Toledo by A42

- Coming by **A42**, from Toledo towards Madrid, take **exit 16**
- Follow straight and take **exit 17-A M-50 Córdoba**
- Continue with the same indications that when coming from Madrid.

### From the M50, coming from the East (A3, A4)

- Coming from M50 from East (e.g. from A3 or A4), take exit 53, in direction to Getafe and Fuenlabrada.
- At the roundabout under the M50, take the third exit, in direction to A42 (making a change of direction to join the service road of the M50, to the East).
- Continue with the same indications that when coming from Madrid.
